### **North Dakota Department of Health Launches Pandemic Influenza Website**

BISMARCK, N.D. – The North Dakota Department of Health today announced the launch of a new website designed specifically for information about pandemic influenza and issues associated with that topic. This website is designed to give North Dakotans one place to go for information related to pandemic or avian influenza.

The pandemic website can be found at [www.ndpandemicflu.gov](http://www.ndpandemicflu.gov). The website has been designed to include information not only from the Department of Health, but also from other state agencies, including the Game and Fish Department and the Department of Agriculture. The information included on the website is divided into different categories to help make it easy for people to find what they're looking for. The topic areas are:

- Individuals.
- Communities.
- Schools.
- Businesses/Organizations.
- Health-care Workers.
- Birds and Animals.
- Hunting.
- Travel.
- Newsroom.

If you need additional information, contact Stacy Eberl, public information coordinator, North Dakota Department of Health, at 701.328.4619.
